

EC CERTIFICATE OF FACTORY PRODUCTION CONTROL

1488-CPD-0163/Z

In compliance the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products, amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

GEOSYNTHETIC BARRIER SWELLTITE

fluid barrier used in the construction of tunnels and underground structures

placed on the market by

**CETCO Poland Sp. z o.o.
Korpele 13a - Strefa
12-100 Szczytno**

and produced in the factory

**CETCO Poland Sp. z o.o.
Korpele 13a - Strefa
12-100 Szczytno**

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body - *Building Research Institute* - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in

PN-EN 13491:2004

were applied.

This certificate was first issued on 23.09.2009 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
